with Caroline Rider*

-  This clinic is a private lesson clinic (one-on-one) opportunity to present Caroline with any problems (ground work and riding) you may be experiencing with any discipline, breed and age.
-  This clinic is for ANYONE and includes any horse (“green” to “well-broke”), any level rider, from beginner, basic horsemanship to advanced, refined maneuvers and performance.
-  Caroline will personally assess you and your horse, working with what you both present, at that moment, thus determining where the break in communication, trust, partnership and/or leadership is.
-  Caroline will design a “plan of action” for you and your horse to take home and continue practicing.
