Connection & Communication Symposium and Workshop

This symposium is dedicated to bringing more insight and awareness into the many subtle nuances of language and communication our horses are sending us all the time, every day. It is to aid in a better understanding of our horse's unique nature and emotional and mental needs so that we can further develop a deeper rapport, trust, acceptance, partnership and leadership. Students, and auditors, will learn basic "horse" communication skills. These skills will allow them to better identify (read) what their horse is telling them as well as enable them work with what their horse is giving so that they can reach maximum connection, partnership and harmony.

Lesson clinics begin 9am, break for 1.5 hour lunch, resume again until 5pm, with a group gathering at the end to discuss particular achievements, address questions or talk about what students have learned. Auditors welcome to attend.

Cost

Participants: \$95*/participant (60-90 minutes each)

Auditors: \$45/day

**Only 4 participants accepted. Overnight accommodations for you and your horse are not included.*

General Clinic Information

Format

Caroline Rider will be the instructor at each clinic. *Because the nature of this workshop is intense with study, observation and lecture, no more than 4 participants are accepted.* Rider Horsemanship will take the first 4 students to register and pay the deposit for each clinic. There will be a waiting list after the participant spots are booked. If there is a cancellation of one of the 4 participant spots we will contact the names on the waiting list. If you are contacted to fill a spot we will require a non-refundable full payment to confirm your participation in the clinic.

Caroline pays individual attention to each and every participant in her clinic. If an apprentice is available, they will accompany Caroline to all 2010 Horsemanship Clinics. This is to ensure that in addition to direct group and one-on-one instruction directly from Caroline, owners can always be assured of help when they need it most.

Clinics begin anytime between 8-9am and usually wrap up around 5pm, with a 1.5 hour lunch break. The actual progress depends on the participants and their horses. Caroline's ultimate goal is to help each participant:

1. Gain a better understanding of their horse through education & insights into equine behavior.
2. Incorporate that knowledge with newly acquired skill sets learned.
3. Create a more fulfilling and rewarding relationship with their horse.

Auditors

The cost to observe is \$45.00 per day prepaid. Children 12 & under are free. Seating may be limited at select clinics. Please note - we may ask observers to bring lawn chairs at these clinics.

Observers are asked to reserve ALL questions for after the clinic. Training products, DVD's and clothing will be for sale at each clinic.

Please note, the following are not allowed: video taping & pets.

Deposits/Final Payments

To confirm your participation full payment is due upon registration, with signed paperwork and forms. Please be sure you are willing to commit to attending the clinic as payment is NON REFUNDABLE.

You are responsible for filling your spot should you cancel. Please check in with us should we have a wait list.
