General Clinic Information

Format

Caroline Rider will be the instructor at each clinic. No more than 8 participants within each clinic with their horses. Rider Horsemanship will take the first 8 students that register and pay full payment. There will be a waiting list after the participant spots are booked. If there is a cancellation of one of the 8 participant spots we will contact the names on the waiting list. If you are contacted to fill a spot we will require a non-refundable full payment to confirm your participation in the clinic.

Caroline pays individual attention to each and every participant in her clinic. If an apprentice is available, they will accompany Caroline to all 2010 Horsemanship Clinics. This is to ensure that in addition to direct group and one-on-one instruction directly from Caroline, owners can always be assured of help when they need it most.

Clinics begin anytime between 8-9am and usually wrap up around 5pm, with a 1.5 hour lunch break. The actual progress depends on the participants and their horses. Caroline's ultimate goal is to help each participant:

1. Gain a better understanding of their horse through education & insights into equine behavior.
2. Incorporate that knowledge with newly acquired skill sets learned.
3. Create a more fulfilling and rewarding relationship with their horse.
