COST: \$450 participant and horse
Auditors: \$30/day • \$75 for 3 days

A great clinic for those seeking more mindful connection, join up, communication, partnership and control with their horse!

This clinic focuses on the Tao of Horsemanship Approach to working with horses.

The purpose of beginning with liberty work is to create awarenesses within each student that will allow them to read their horse more clearly and communicate with them more easily.

Specific online exercises will follow each day and are designed to assist in developing deeper connection and partnership between horse and human.
